RICH MRS. STIASNY A SUICIDE, DOCTORS SAY AFTER AUTOPSY

District Attorney's Investigation of Widow's Death Ends With Physicians' Report.

Dr. Otto Schultze of the District Attorney's medical staff and Dr. Lahane, Coroner's physician, to-day performed an autopsy on the body of Mrs. Sarah M. Stiasny, the wealthy widow found dead on Wednesday morning in her apartment at No. 215 West 98th Street, and declared that the wounds which caused death were self-inflicted. District Attorney Swann had ordered the autopsy.

Two bullets, fired from a .32-calibre revolver which the dead woman clutched in her right hand, were found in the body. One had entered the left side below the heart and the other the right temple. The funeral has been arranged for this afternoon, the interment to take place in Cypress Hills Cemetery, Brooklyn.

Mrs. Stiasny, the reputed possessor of \$250,000, lived in the apartment with Dora Waitz, a negro maid, and the widow's twenty-four-year-old cousin, Richard Epstein, manager of her property. He and the maid were in the apartment at the time of death, but they say several doors separated them from Mrs. Stiasny's room, and they heard no shooting.

The District Attorney's investigation arose from a letter which Mrs. Stiasny's niece, Mrs. Jennie Lubetkin of No. 739 Riverside Drive, sent to Coroner Hellenstein yesterday morning asking for an inquiry. Later Mr. Swann said Mrs. Lubetkin told him she feared her aunt had been murdered.

Isidor Herschfield, a lawyer of No. 99 Nassau Street, an executor of Mrs. Stiasny's will, called on Mr. Swann and said that neither he nor his wife—a cousin of Mrs. Stiasny—doubted it was a case of suicide. He said there could be no doubt that two notes

found, one on the bed and the other in a bureau, were in her handwriting.

The note found on the bed read:

"My dear Richard: I cannot stand this any longer. No sleep, and I feel as if I were going insane. Funeral private. God bless you for what you have done for me. Don't grieve for me, for I am glad to be at rest. Lovingly,

"COUSIN SARAH."

The second note read: "The fish set, consisting of 11 plates, large platter, gravy bowl, cut glass vase on table in living room, bronze Mercury on bookcase and dining room furniture, screen and girl's bed belongs to Mrs. Nathan and should be put in storage for her."

"S. M. STIASNY."

Epstein said that Mrs. Stiasny had worried recently because he was likely to be called to the draft and also because some mortgage holders were demanding payment. He said the evening before her death he and she talked of her worries. She went to sleep in his room because it was less noisy than her own, on the Broadway side of the apartment. He occupied her room.

He said he left his revolver in the bureau in his room.

You Cannot Hide Your Fat

Overfatness is the one misfortune you cannot hide from yourself or from those around you. If the full, your dreamer or tailor can supply the deficiencies, but the over-fatness is a burden they cannot carry. There is one sure way to reduce your weight safely and quickly. The harmless Marmola Prescription, which changes the fatty tissues and fat-producing foods to solid flesh and energy, helps the general health and digestion, permits you to eat and live as you like, and leaves the skin clear and smooth. This famous prescription is now condensed into tablet form. Each tablet contains an exact dose of the same harmless ingredients that made the original prescription capable of reducing the overweight body at the rate of two, three or four pounds a week without the slightest ill effects. Take but one tablet after each meal and at bedtime were demanding payment. He said the evening before her death he and she talked of her worries. She went to sleep in his room because it was less noisy than her own, on the Broadway side of the apartment. He occupied her room.

He said he left his revolver in the bureau in his room.
